16-18 August 2023

Excellence in all we do
Incoming AS100s,

Welcome to Baylor University and welcome to Detachment 810! We are very excited to welcome you into our family. At Det 810, we take pride in our motivation and determination to work towards becoming better versions of ourselves. During your time here as a student and a cadet you will create great friendships and connections with others that will sustain and build you in both your personal and professional lives.

Becoming an Air Force Officer is a process that few embark upon. Officers are expected to be competent and confident leaders that can be trusted with commanding people, equipment, and living the Air Force core values to its fullest. Air Force ROTC is built to prepare you to serve as an Officer in the worlds greatest Air Force. This program was built to be challenging, yet rewarding, with the intent of developing your character and leadership.

Pre-Flight is designed to acclimate you to Baylor University and Det 810 prior to the start of the semester. We will introduce you to our cadre, pre-flight staff, and a few other active cadets. We strongly encourage you to ask questions and get to know your peers within your class and throughout the Detachment. We are excited to get to know each and every one of you!

Very Respectfully,

Cadet Hailey McDonald
Pre-Flight Coordinator

Cadet Jack Carey
Pre-Flight Coordinator

Cadet Jackson Balsavias
