

Pre-Flight 2024

Detachment 810 | Baylor University

August 21-23

MCLENNAN
COMMUNITY COLLEGE

Integrity First Service Before Self Excellence In All We Do

Incoming Cadets,

Welcome to Baylor University and welcome to Detachment 810! We are very excited to welcome you into our family. At Det 810, we take pride in our motivation and determination to work towards becoming better versions of ourselves. During your time here as a student and cadet, you will create great friendships and connections with others that will sustain and build you in both your personal and professional lives.

Becoming an Air Force Officer is a process that few embark upon. Officers are expected to be competent and confident leaders who can be trusted with commanding people, equipment, and living out the Air Force core values to their fullest. Air Force ROTC is built to prepare you to serve as an Officer in the world's greatest Air Force. This program is built to be challenging, yet rewarding, with the intent of developing your character and leadership.

Pre-Flight is meant to acclimate you to Baylor University and Det 810 before the start of the semester. We will introduce you to our Cadre, Pre-Flight staff, and other active cadets. We strongly encourage you to ask questions and get to know your peers within your class and throughout the Detachment. We are excited to get to know every one of you!

Very Respectfully,

Cadet Christian T. Greener
Pre-Flight Coordinator

Additional Information

- **Addresses of Pre-Flight Locations:**

Detachment 810:

Speight Plaza Building and Parking Garage
1521 S. 4th St.

Hankamer Auditorium:

Hankamer Cashion Building
401 Speight Ave

Rudy's BBQ:

2510 Circle Rd, Waco, TX 76706

Marrs McLean Science Auditorium:

1214 S 4th St, Waco, TX 76706

Marina:

Marina - Baylor University
1512 S University Parks Dr

We will have cadets placed around the designated locations before each event to help direct you.

- **Recommendations on what to wear:**

For Tuesday and Wednesday: Feel free to dress casually. Jeans, shorts, and T-shirts are fine as events here will be a relaxed setting to meet your fellow cadets.

For Thursday: Since you'll be meeting the cadre for the first time, we recommend wearing something more polished – think business casual, but no need for suits or formal wear.

For Friday: Wear athletic clothing – athletic shorts and athletic shoes are highly recommended. If you are a scholarship recipient cadet, wear business casual for contracting in the afternoon. Friday night at the Marina is back to casual wear.

Additional Notes:

- For lunch at Rudy's BBQ on Wednesday, bring \$20-25; this will more than cover the cost of whatever you decide to get.
- Detachment 810 is almost always open to stop by and ask questions, if you cannot make the "Open House" hours, please stop by during the week for any questions you may have.
- The weather will likely be hot, humid, and sunny; we highly encourage you to bring a water bottle during Pre-Flight. We will also have cold water in the detachment if you need a drink or to refill your bottles.
- If you are a parent that is unable to attend the parent sessions and would like to submit any questions, please email them to Technical Sergeant Wellington at Hunter_Wellington@baylor.edu.

Questions Regarding Attendance

Who is meant to attend Pre-Flight?

- If you plan to join the AFROTC program at Detachment 810 here at Baylor, Pre-Flight is for you. **This includes sophomores and cross-town incoming cadets.**

Is Pre-Flight required to attend?

- No, but it is **highly recommended**. It is a great opportunity to fast-track meeting your peers and get to know the program before it starts. It is also helpful for completing the necessary paperwork to be a part of the AFROTC program.

Do I have to be present for all of Pre-Flight, should I choose to attend?

- Every Pre-Flight event is designed for your benefit and success as a cadet, however, we understand this will be a busy time as you move to Baylor, so feel free to attend any events you can.

Do I need a parent to be present at Pre-flight?

- **If you are under 18 a parent/guardian is required**, otherwise a parent is not required. However, it will likely be helpful for parents to be present during paperwork processes or information sessions.
